

Request To Reschedule A Netball Game

Reschedules will only be approved for reasons associated directly with the players of that team, not umpires, coaches etc. Reschedules will only be considered for the following reasons: **School exams, School camps & Major school events**

A team that does not have more than five players available for a scheduled game, and cannot get sufficient players from lower teams to fill in, can request to reschedule the game.

1. Coaches of both teams must mutually agree on a time and date for the rescheduled match to go ahead.
2. The opposing team does not have to agree to the reschedule.
3. Once the reschedule form has been completed and signed by both coaches, it is to be submitted to admin@norandana.com.au or to the office no later than the Tuesday prior to the original fixture match.
4. If approved, both teams will be notified in writing and advised of the court of the rescheduled match.
