If an umpire fails to attend a substitute must be found through the Club Umpire Coordinator. Failure to provide an umpire after ten minutes of the scheduled start time will mean the game will result in a forfeit 10-0.

Clubs/teams are responsible for:

- Providing an umpire for their own games;
- Supervision of inexperienced umpires; and
- Allocating games suitable to the umpires' level of experience.

Dress Code

Umpires must wear a White T-shirt, Jumper or Jacket to distinguish them from the teams playing on court. White shirt and skirt/shorts are worn with suitable footwear.

Green Shirt Program (HUG) and Intermediate Squad

These programs will result in umpires being allocated to cover all games for certain grades during the winter season. The Association will advise which grades will be covered and as such the club shall not need to allocate their own umpire to these games.

Please note that both the HUG and intermediate squad umpires are still learning and do not have an extensive knowledge of the rules as the Western Australia Netball League umpires. We expect players, parents, coaches and spectators to treat the umpires with respect.

Unfinancial Clubs / Players

In the event of severe weather, the Competition Convenor will liaise with the President of the Association 30 minutes prior to each timeslot and make a decision based on the weather at that time.

If specific timeslots are cancelled due to bad weather, the result of each match will be recorded as a draw 10-10, with one point awarded to each team. No reschedules will be accepted for bad weather.

If a game commences and is called off by either the Association, or if the umpire deems it to infringe on their duty of care to the players or themselves, before half time due to bad weather, the result of the match will be recorded as a draw 10-10, with one point awarded to each team.

If a game commences and is called off by either the Association, or if the umpire deems it to infringe on their duty of care to the players or themselves, after half time due to bad weather, the score will stand at the time of the announcement.

Working with Children Check
